

SUPPORT PARIS BRAIN INSTITUTE FROM BELGIUM

Transnational Giving Europe

TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies – who are fiscally resident in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from tax advantages provided by the legislation of their country of residence (www.transnationalgiving.eu).

Paris Brain Institute, approved by the Fondation de France, can receive donations from the TGE. By making a donation to Paris Brain Institute via the **King Baudouin Foundation (KBF)**, donors resident in Belgium benefit from Belgian tax advantages.
