

## SUPPORT PARIS BRAIN INSTITUTE FROM GERMANY

### Transnational Giving Europe

TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies – who are fiscally resident in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from tax advantages provided by the legislation of their country of residence ([www.transnationalgiving.eu](http://www.transnationalgiving.eu)).

By making a donation to Paris Brain Institute via TGE, donors who are residents of Germany can benefit from tax advantages provided by German law. In Germany, our partner foundation is the Maecenata Foundation.
