

SUPPORT PARIS BRAIN INSTITUTE FROM ITALY

Giving Europe

Giving Europe is a European network of trusted philanthropic foundations that enables donors to support non-profit organisations in other European countries while benefiting from the **tax advantages** of their **country of residence** (<https://giving.eu/>).

Paris Brain Institute's partner in Italy is the **Fondo Filantropico Italiano**. Fondo Filantropico Italiano will process your donation in Italy, issue your Italian tax receipt and transfer the funds to Paris Brain Institute.
